### VITAL TO WEIGHT MANAGEMENT PROGRAMS!

Formulated by a **bariatric physician**, Stress 28 Multi Vitamin-Mineral Complex includes nutritional support and replacement of vitamins and minerals that are commonly lost through dieting. This specialty product also includes important trace minerals. No sugar or starch additives.

*Stress 28 is an iron-free supplement rich in vitamins and minerals for the maintenance of energy and the preservation of good health\*!*

A proper daily dose of vitamins and minerals can help boost the immune system, helping the body become more resistant against diseases. Nutritional supplements are also useful in eliminating environmental toxins, which can lead to serious health problems.
